

From the M6 – Exit at Junction 3, follow the A444 Phoenix Way sign posted Coventry City Centre.

At the first island carry straight on past the Ricoh Stadium continuing down Phoenix Way and at the second island take the first exit continuing down Phoenix Way.

Atritor Ltd is located next to the Phoenix Way and the third island with the blue metal scroll in the centre.

To access it turn right at the third island onto Foleshill Road. Drive down the Foleshill Road and take the first left into Cross Road and the first left into Canal Road. At the end of the row of terraced houses on the left turn sharp left (Atritor is behind these houses). Follow the Atritor buildings on the left to the end and you will see the entrance gate. Turn left into the gate and reception is straight ahead about 50 metres.

Approaching from the city centre – Either drive up the Phoenix Way to the island with the blue metal scroll and follow the instructions above. Alternatively exit the Coventry Ring Road onto the Folehill Road, at junction 0 (it is the only roundabout on the ring road), and drive to the end of the Folehill Road making sure when it veers to the left at the traffic lights/fork half way along you turn right. Cross Road is the last turn on the right and if you miss it you will come to the island with the blue metal scroll.
